#### IT'S PLANTING TIME

Yes, once again Fall is here which means that all of us in the landscape field are preparing for the Season ahead.

While you have been busy this past summer with landscape maintenance, construction and planning, we have put considerable effort and time into the growing of a finer evergreen to meet your needs.

We realize that our success is dependent upon you, our valued customers. To merit your continued patronage, we will always do our best to produce the best in the field of evergreens.

Plan now to visit us soon. We are sure you will be pleased with our fields and, remember, you are always welcome to select and tag your own material.
